CLOSE OF THE CONVENTION.

The Nominations Made by the
Republicans at the Cap-
ital Last Evening.

Conductor Merrifield for Rail-
road Commissioner—Other
Nominations.

Jefferson City, Mo., August 29.—
At 3 o'clock sharp yesterday afternoon
Chairman McGinnis called the con-
vention to order and asked for the re-
port of the committee on credentials,
which was read and adopted.

The committee on permanent or-
ganization offered their report, but
before its adoption the regular order
of business was suspended and resolu-
tions of respect to the late E. E. Kim-
ball were read and adopted. The re-
port of the permanent organization
committee was then discussed and
adopted.

When the report of the committee
on resolutions was called for, M. T.
Reynolds chairman of that committee,
came forward and read the platform
of the party. An amendment to the
report was offered by N. C. Crews,
colored, of Kansas City, endorsing
the Lodge federal election bill, which
was knocked in the head by a sub-
stitute offered by J.
H. Bothwell, of Sedalia,
which was in meaning nothing, and
the report of the committee was ac-
cepted, with Mr. Bothwell's substi-
tute.

The St. Louis delegates presented
the two delegates from Ripley county
with badges, as this was the first time
that county was ever represented in
a republican convention.

The next order of business was
the nomination of a candidate for
supreme judge.

Mr. Folinsbee, of Daviess county,
nominated Alexander Mullins, of
Linn county; Mr. Harrington, of
Adair, nominated William Harrison,
of Marion; Mr. Sleeper, of Linn,
nominated John B. Hale, of Carroll;
Pony Boyd, of Greene, nominated
John T. Nixon, of Laclede.
The roll was called by
congressional districts and the
vote stood: Hale, 216; Mullins,
441; Harrison, 40, and Nixon, 128.
Mullins received a majority of the
votes cast and the convention made
his nomination unanimous.

For railroad commissioner, when
the sixth was reached on the roll of
districts, J. H. Bothwell, of Sedalia,
came forward and in an eloquent
speech nominated Jas. K. Merrifield,
of St. Louis, whose nomination was
followed by the nomination of
Andy F. Brown, of St.
Louis, Senator Samuel W.
Headley, of Springfield, and Frank-
lin Griffith, of Jasper, for the same
office. Mr. Merrifield received a
large majority and his nomination
was made unanimous.

Only two nominations were made
for state superintendent of public
schools, viz: Franklin P. Sever,
of Newton, and Wm. H. Lynch, of
Wright. The vote was cast, Sever
receiving 532 and Lynch 251, and
the nomination of Mr. Sever was
made unanimous.

The state central committee was
next selected, as follows:

First District, John L. Gleason of
Marion and J. R. Musick of Adair;
Second District, J. S. Minnis of Carroll
and A. D. Terrell of Randolph; Third
District, Nelson Church of Harrison
and W. A. Leeper of Caldwell; Fourth
District, J. L. Buttinger of Buchanan
and R. K. Townsend of Nodaway;
Fifth District, Robert W. Quarles of
Jackson and R. Baldwin of Johnson;
Sixth District, J. P. O'Bannon of Dal-
las and A. C. Widdicombe of Cooper;
Seventh District, R. E. Lowder of Au-
drain and J. C. Kiscadden of Franklin;
Eighth District, H. S. Harrison and
Clark H. Sampson of St. Louis; Ninth
District, Chauncey I. Filley and A.
B. Cole of St. Louis; Tenth District,
Henry Zeigenheim and K. W. Weber
of St. Louis; Eleventh District, E. F.
Bautzer of Osage and J. T. Moore of
Laclede; Twelfth District, O. D.
Austin of Bates and T. B. Tuttle of
Jasper; Thirteenth District, W. B.
Tunnel of Webster and J. H. Herns
of Newton; Fourteenth District, J.
Kaehles of Cape Girardeau and J. T.
Lindsay of Wayne.

Chauncey I. Filley was elected
chairman and James Beach of St. Joe,
T. B. Hauhwant of Marion and
John Harris of Kansas City as state
committeemen at large. The conven-
tion then adjourned.

who have used them prove this fact. Ask

Continued the Case.

The case of the State vs. Thos. Gos-
sage and others, charged with dis-
turbance of the peace of Margaret Sav-
age, the past week, was called in
Justice Blair's court yesterday and
continued until next Saturday. The
trouble grew out of the herding of
cattle.

A New Postmaster.

Our neighbor town, Clifton City,
has a new postmaster, who was ap-
pointed by Brother Wanamaker, Fri-
day. The name of the fortunate man
is W. D. Wakefield, and he succeeds
G. L. De Witt, who resigned—prob-
ably in anticipation of the fact that
his days were numbered.

Dan Scally Discharged.

In Justice Blair's court, yesterday,
Dan Scally, charged with feloniously
assaulting Martin Crain, was dis-
charged, as there was no evidence on
which to hold him. The defendant
was defended by John Cushman, who
has not yet lost a criminal case en-
trusted to him.

Taken Under Advisement.

Mrs. Webster, colored, was tried
in Justice Fisher's court yesterday on
the charge of having disturbed the
peace of Mary Arnold, also colored,
at the fair grounds, last week. The
evidence was submitted and the case
taken under advisement until to-mor-
row.

An Injured Railroad Man.

Henry S. Ramsey, an assistant to
the M., K. & T. agent at Fayette, was
received at the company's hospital last
night with his right ankle broken,
caused by part of a truck load of bag-
gage falling upon it yesterday.

South Park Addition.

In this issue of the BAZOO will be
found a page advertisement of South
Park addition, for which a careful
perusal is asked at the hands of those
who contemplate purchasing homes.
This is, without doubt, one of the
most desirable tracts of land adjacent
to, or rather a part of, the Queen City,
and with water, electric lights and
other conveniences, it offers advan-
tages not possessed by other localities.
Read the advertisement, examine the
property and then buy you a home.

THE UNION LABOR PARTY.

A Dozen of 'Em Met Yesterday
and Placed a County Ticket
in the Field.

J. S. White, the Republican Nom-
inee, Endorsed for Pre-
siding Judge.

Several Offices Left Blank—The
Different Nominations That
Were Made.

The Union Labor party of Pettis
county, a dozen of 'em, met in con-
vention yesterday morning in the Ex-
change hall, on West Second street,
for the purpose of placing in nomina-
tion a county ticket.

The meeting was called to order by
J. H. Monsees, chairman of the
county central committee.

A. Dow, of Georgetown, was
elected temporary secretary.

Committees on resolutions and per-
manent organization were appointed
and requested to be ready to report
immediately following the calling of
the convention to order in the after-
noon.

There being no further business
that could be transacted until the two
committees reported, the usual indul-
gence in oratory commenced. The
first speaker was J. S. White, of La-
monte, candidate for county judge at
large on the republican ticket, who
said his heart and soul were in sym-
pathy with the cause of the farmers and
laboring men, and that he was against
all monopolies and trusts; in fact,
against everything that is not in ac-
cordance with the Farmers' Alliance
and Knights of Labor platforms.

J. H. Stephens next addressed the
convention, in the same strain, and
was followed by J. B. Hedges, who
said that he did not have any use for
a man who has been with the Labor
party and then went to some other
political party. He related a story
about Parson Brownlow, who published
a paper in Tennessee before the
war. This address made "Brother"
J. S. White, of Lamonte, squirm.

A. Dow, temporary chairman, was
the next speaker called for, and he
told the convention how the
democrats and republicans ignored
the laboring and farming element,
and in his mind the only party that
would do justice to them was the one
of which he was chairman. Mr. Dow
attacked the New York Central
strike, and, theoretically only, pictur-
ed out a way to settle the trouble.

E. C. Forbes, temporary secretary,
was called for next. He responded,
saying that he was not connected with
any other party, and when there were
no tickets in the field excepting the
democratic and republican he re-
frained from voting.

At the conclusion of his remarks
several of the delegates were very
anxious to apologize for ever having
been members of any other party than
the one that was in session.

Mr. White, of Lamonte, was the
first to offer an apology for being a re-
publican. His apology was very ab-
ject. He said they came after him
because he was a member of the
Farmers' Alliance, and it was not his
fault that he was on the republican
ticket. Under the circumstances he
would retire from the convention, yet
at the same time he was not sorry
that he had come in, and if he had to
do it over again he would act the
same way.

J. H. Stephens also excused himself
for belonging to another political
party, and asked that he be excused
from the convention.

The chair informed Mr. White that
if he was a candidate on the republi-
can ticket it was injurious to him.
Mr. White requested that his name
be stricken from the list of delegates,
which was approved by the conven-
tion, and the name of J. M. Howard,
who works for the railroad company,
was put in his place.

On motion the convention adjourn-
ed until 1:30 p. m.

AFTERNOON SESSION.

The convention reassembled at the
hour fixed upon and the report of the
committee on permanent organization
was received and adopted. The re-
port left the selection of the perma-
nent officers to the convention, which
resulted in the selection of A. Dow as
chairman and E. C. Forbes as secre-

The next regular order of business
was the nomination of a county ticket,

were left vacant.

On motion, a central committee,
consisting of four persons from Se-
dalia and one from each of the other
townships, was appointed.

A majority of the delegates present,
which amounted to seven, were of the
opinion that under the Australian
system of voting, their ticket would
be shut out.

The secretary informed the
convention that on the
presentation of a petition to the
county clerk, signed by one per cent.
of the voters of the township, the
county would have to print their
tickets.

After selecting Con McHugh as
delegate to the state convention,
which meets at this city September
25th, the convention adjourned.

CRIST ARRESTED.

**The Pleasant Hill Would-be
Suicide Arrested For Arson.**

Pleasant Hill, Mo., August 29.—

himself twice in the side, as stated in
the BAZOO, was arrested to-day at the
instance of his wife, who charges him

Shortly after Crist's house was dis-
